Camp Update

Despite the piles of snow not yet melted, Summer Camp planning is in full swing. We are working on hiring those last few staff and planning staff training which begins May 29 this year. The snow has delayed some of our Camp set up, so we'll be working hard in May to get it all set!

Speaking of getting things set, our camper applications are coming in. The two populations we still have openings for are our Deaf and Hard of Hearing campers and our Blind and Visually Impaired Youth. We still need at least four male counselors and we are really searching for two more Waterfront Directors. For up-to-date details on staff positions and camper weeks we need to fill, check out our website and our Facebook page. We work very hard to keep these current for your information. All applications are on our website ready to be downloaded and printed. Please share information about our Camp with those you think might be great campers or staff.

I know one question we have is how can we help? I have some work projects this year that we need help on: making curtains, painting touch-ups in the health lodge and crafts building, and paper cutting. We are always looking for items for summer camp via our Wish List. We have two – one on SmileAmazon.com (Wisconsin Lions Camp) and our regular Wish List (which is on our website or available by calling the office). Camp costs continue to creep upward and donations are always very much appreciated.

We are also really working on getting our Hustle S'more to bring us more income – if you know a business that would be a great sponsor or know some folks who'd love to run and collect pledges for Camp, please share this great event with them! And for those of us who would prefer a shorter walk, we've added our Donut Dash - \$10 gets you a donut and coffee to eat while leisurely strolling a mile on our paved walkways. We have all the information online and can always send it out if you give us a call at 715-677-4969.

While this may be our 62nd summer, the excitement and anticipation of Camp never gets old! We so appreciate all of your support and thank you for all you do to make our Wisconsin Lions Camp that adventure of a lifetime for our campers.

- **May 3-5—State Convention - Lake Geneva**
- **May 4—WLF Board of Directors Meeting—Lake Geneva**
- **June 9—Lions Pride Shoot**
- **June 13—Visitor Days Begin**
- **July 21—Birch-Sturm Golf Outing—Iola**
- **August 18—Hustle S'more for Lions Camp**
