Centennial Vision Screening Challenge

**100,000 Kids Screened for the 100th
Children's Vision Screening Challenge** May 1, 2017 - April 30, 2018

To end the Lions Centennial Celebration on a high note, the Lions of Wisconsin were presented with one last challenge. The MD27 Centennial Celebration Committee and Wisconsin Lions Foundation teamed up to challenge the Lions to screen the vision of 100,000 children from May 1, 2017—April 30, 2018. It is customary for Lions not to just meet the goal, but to exceed it, and that they did! A total of 134,461 children were screened. The Centennial Vision Screening Challenge Winner was District 27-B1. Congratulations! Thank you

to everyone who participated in any way!
