

Greetings from your Wisconsin Lions Camp!

We are excited to introduce our Staff Recognition Wish List. It's a new recognition for a new generation of staff. This allows us to spread out recognition over the summer so that we can keep staff motivated, engaged and understanding just how many people there are out there supporting them. There are two sides to the wish list. The front side lists the specific recognition item, dates the item is to be presented and the cost. The back side lists the explanation for each item and why we chose that recognition piece. Feedback from past staff as well as staff for our 2019 season helped create this list. Here are few reasons why we're rolling out this new recognition system:

- It recognizes all staff. "Counselors" are one small piece of our staffing. Our campers are surrounded by counselors, specialists, unit directors, nursing assistants, food service staff, short term staff, healthcare staff and full time staff. It's a team that numbers over 100 people to make Camp happen. For our purposes we refer to those staff we hire to stay on site all summer (counselors, specialists, unit directors, nursing assistants) as residential staff. We then have hourly staff, short term staff and full time staff. Those are our staff categories.
- We want this recognition to be personal for each staff member, taking in account any preferences, favorites and region of the country they come from.
- We need to up our recognition game so to speak and plan to recognize donors in multiple ways: a letter from WLF, a thank you note from a particular staff person and posting on Camp's social media.
- We hope to create staff-club connections with staff gaining a much better understanding of those who support us as well as educating them how they could become Lions someday.

Please note that these donations are to be above and beyond your annual donation. All questions regarding these items should be directed to our Camp Director, Andrea Yenter. She can be reached at [ayenter@wisconsinlionscamp.com](mailto:ayenter@wisconsinlionscamp.com) or 715-677-4969 ext. 319.

Thank you for your support and recognition of the amazing team it takes to make the adventure of a lifetime happen for our campers.
